MEMORANDUM FOR THE RECORD

15 March 1957

SUBJECT: Expansion of the Records Center

1. About 4 o'clock on 13 March [REDACTED] advised me that he had received word from the Bureau of the Budget Representative that they would look with favor upon the construction of the addition to the Agency Records Center. He indicated further that the Bureau, however, would not want a formal submission from the Agency with respect to whether they should go ahead with respect to construction of the addition.
